ORDER

Plaintiffs have filed objections (D.I. 878) to the Magistrate Judge's Memorandum Order issued on December 22, 2021 (D.I. 874). The Magistrate Judge had the authority to issue the Memorandum Order under 28 U.S.C. § 636(b)(a)(A). I may reconsider the rulings in the Memorandum Order only if "it has been shown that [they are] clearly erroneous or contrary to law." *Id.*

I agree with the Magistrate Judge's conclusion that the infringement contentions and expert opinions in question were untimely. I also see no clear error in the Magistrate Judge's analysis of the *Pennypack* factors.

Now therefore, at Wilmington on this Fourth day of January in 2022, Plaintiffs' objections (D.I. 878) are **OVERRULED**.

Chief Judge
